KIRIT PULP VALVE

Features

- Stainless steel sliding Gates for long life-span
- Optimized characteristic for supply of paper pulp, petroleum, board mills and chemical industries.
- Protected against corrosion
- Reliable mounting options
- Wide range of flow rates
- Available in Wafer and Lugged type

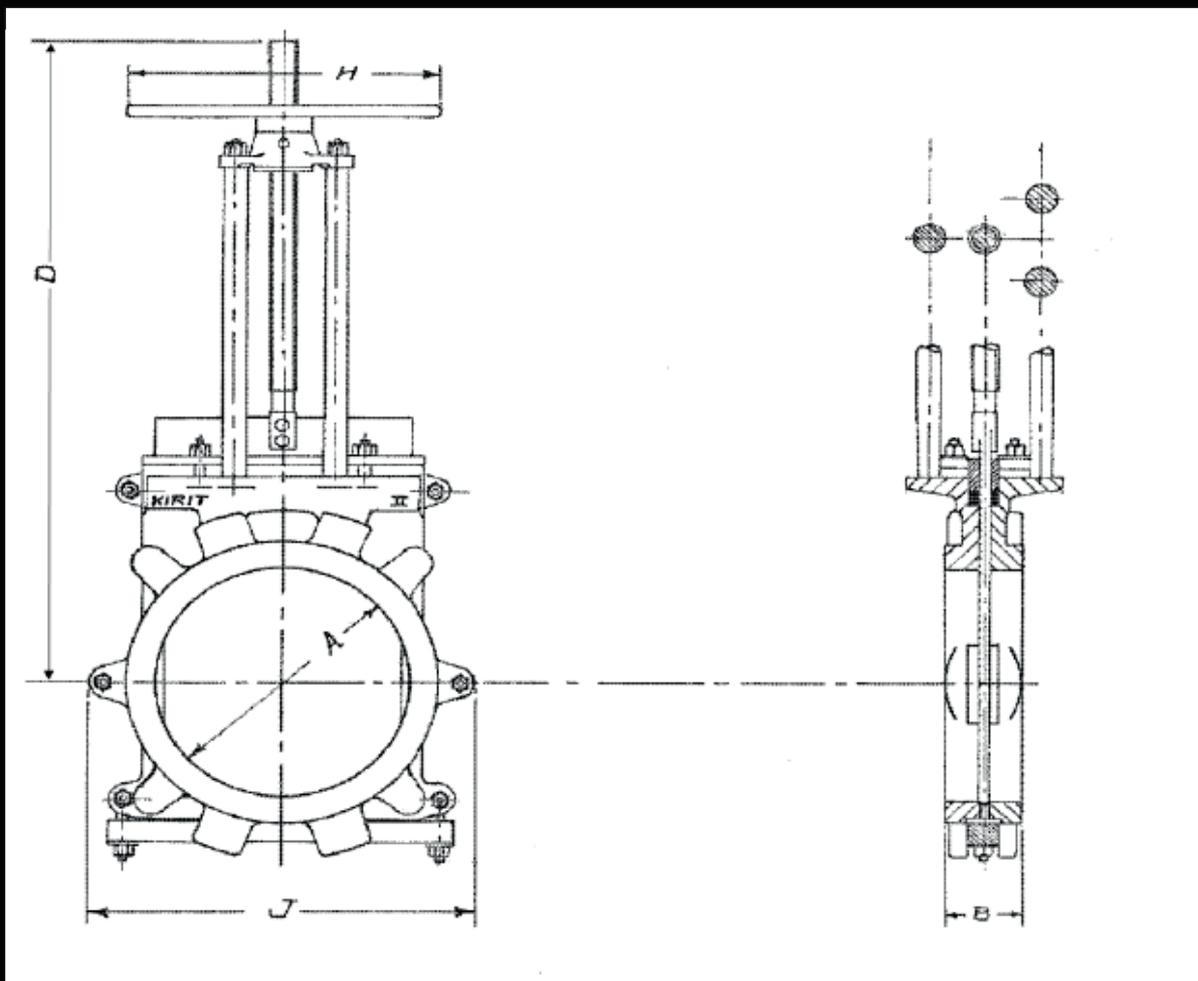

Application:

Kirit II Pulp valve also known as Gate Valves are designed for isolation, On-Off and throttling services in Paper and Pulp Industries, Power Plants, Steel Plants, Cement Plants, Sugar Industries, Chemical and Textile Processing Industries, Mining Water and Sewage Plants to handle Slurries, Slag, Plug and Fibrous Materials, Fly Ash, Powders, Clean or Corrosive Gases.

Valve Size	A	B	D	H	J
50	50	62	362	225	120
65	65	62	402	225	132
80	80	62	333	225	148
100	100	64	365	225	178
125	125	66	395	225	185
150	150	68	422	225	242
200	200	72	520	280	285

PULP VALVE

Valve Size	A	B	D	H	J
250	250	76	900	320	390
300	300	80	1020	320	440
350	350	96	1160	375	440
400	400	100	1290	375	500
450	450	106	1480	520	600

Specifications:

Size Range	2" - 20"
Hydraulic Pressure Standard Seat Test	30 to 150 PSI (2.0 to 10.3 Bar)
Leakage Rate	Zero Allowable Leakage
Material Body	Cast Iron, S.S, Gun Metal,
Hand Wheel	Cast Iron, S.S, Gun Metal,
Spindle	M.S, S.S
Gate	S.S (304)
Flow Characteristic	Equal Percentage

Ref No.	Description of Special Parts
101	Housing 'A' inlet
102	Housing 'B' outlet
103	Supports
104	Cross member
105	Hand Wheel
106	Spindle
107	Gate
108	Gland
109	Clearing Door
110	Nuts & Bolts

We are a leading and trusted organization providing Pulp Valve to our clients. Carefully designed by our experts, it is best suited for providing unrestricted smooth flow of viscous fluids. We are providing it at as per the specified demands and our range has received excellent reviews and feedback among our patrons. Pulp Valve offered by us is specialized product made for our customers' requirements. Tested by us on well defined quality parameters, this product is packaged in best grade material for sale. Finally, we are providing Pulp Valve at convenient rates to our clients.

Features:

- ✓ Excellent design
- ✓ Light weight
- ✓ Free from flaws
